## Consider School District Merger

The Crawford County Intermediate K-12 Study Committee met in the Grayling High School library on Wednesday evening, October 27th at 8 o'clock. Present were Jerome Kessler, Ace Leng, James Madill, Melvin Nielson, Hazel Koerke, Pat Harwood, Arthur Mayer, Norval Stephan, Supt. Bruce Billeter and Supt. Basil Godbold.

The purpose of the committee is to investigate the advisability of a school district reorganization, specifically the consolidation of the Fredric and Grayling Public School districts.

Graphs showing student membership, state equalized valuation and valuation per child were distributed to the committee for discussion.

Supt. Billeter was acting secretary for the meeting.

Chairman Godbold informed the group that much factual information would have to be gathered and a plan for the reorganization submitted to the state committee for approval.

A motion to have the plan presented to the state committee and the following resolution were approved unanimously by those present.

Whereas, Act No. 289 of the Public Acts of the 1964 Michigan Legislature created a K-12 School District Reorganization Study Committee in every County in Michigan, and

WHEREAS, Crawford County has complied by forming such a committee, holding meetings, studying the schools in Crawford County and their potential for providing a better education for its students, and

WHEREAS, Larger membership in a school is necessary to insure improved curriculum.

THEREFORE, BE IT RESOLVED that this committee submit a plan calling for a merger of Fredric and Grayling Public Schools into a single district.

The Grayling Public School enrollment is one thousand students, the Fredric enrollment, two hundred and five.

It was agreed that two public hearings are to be held, one in Grayling, the other in Fredric.

The next meeting of the committee is to be held at Grayling High School on November 17th, at which time the Intermediate office is to have a plan ready for presentation to the study group.

## Cooperative Extension Service Has New Look

The Cooperative Extension Service of Michigan State University is just completing the final phases of a reorganization of activities and program emphasis according to Dave Olson, County Natural Resource Agent. As a result of program evaluation and analysis, the Extension Service will emphasize five major areas of work: Agricultural Marketing, Family-Living Education and 4-H Youth programs.

Crawford County has been classified as a Natural Resource Community and the major program emphasis will be in forest production and management, forest products, fisheries and wildlife, land and water use and tourism and recreational industries.

Dave Olson will continue overall direction of the county program. The Family-Living Education and 4-H Youth Program will be planned and coordinated as a joint program with Roscommon and Crawford Counties. A full time Extension Home Economist will work out of an office in Roscommon on the program.

## Boy Scout Funds Campaign Kick Off Set For Next Monday

The annual solicitation of funds for operation of the Paul Bunyan Council, Boy Scouts of America, which was originally slated to get underway in the Grayling area on Monday, October 4th, will start on Monday, November 8th.

Due to several technical difficulties and illness which struck several key members of the drive, the postponement was necessitated.

Under the leadership of Robert McIntosh, local Consolidated Gas manager, the campaign has been organized and men recruited to conduct the drive for the needed funds.

Two Scouting units are presently active in the Grayling area. The PTA is sponsor of the Cub Scout Pack with Carol Wert as the Institutional Representative, Dewart Hall as the Pack Committee Chairman, and Norman Sorenson as the Cubmaster. Den Mothers are the Mesdames Norma Lee Secord, Marian Joseph, Phyllis Rockwell, Capitola Westervelt, Ruth Steinbrink, Barbara Smock, Barbara Johnson, Lena Beckwith, Lois Hatfield, Norma Gust, Sally Golinick.

An Explorer Post is sponsored by St. Mary's Men's Club with Lawrence Hunter as the Institutional Representative, Carl B. Minor as the Post Committee Chairman, and Lilwyn Doremire as the Post Advisor.

The basic aims of Scouting are Citizenship Training and Character Development and never has the need been greater than now, when forces of evil would make juvenile delinquents of our youth. Scouting also teaches boys worth while activities and self-reliance. A boy pays his share when he pays his annual national membership fee, buys his uniform, his subscription to BOYS' LIFE magazine, pays his unit dues and camp fee.

His unit, assisted by the Sponsoring Institution, provides a meeting place, camping gear, flags and other program equipment.

## Junior Play Cast Named

Selection of the cast of "The Trail of the Lonesome Pine" has been announced and rehearsals are now underway. The Junior Class play will be presented in the Grayling High School auditorium on Friday and Saturday evenings, November 19 and 20, at 8 p. m.

Nancy Dykema has been chosen to play the lead role of June Tolliver, the fragile and lovely girl of the Blue Ridge Mountains, who falls in love with the mining engineer from the north. She handles the ingenue role exceptionally well, portraying the wistful, shy seventeen-year old as childlike in manner, yet fascinating in spite of her rough ways and lack of education, while maintaining a charming enthusiasm throughout her dramatic performance.

The leading male role of Jack Hale, June's romantic interest, is played by Steve Dubois. Steve Englund, as Judd Tolliver, head of the clan, is expected to give one of the best performances in the cast. Uncle Billie Beams and his wife, Ole Hon, are portrayed by Mike Warden and Vicki Wells, respectively, both of whom add a delightful comic element to the play.

Bub, the younger brother of June, is played by Dane Madsen. Hannah, his stepmother, is played by Gayle Feldhauser. Tom Hatfield plays the role of Dave Tolliver, the surly mountain cousin who expects to marry June.

Other members in the cast and the roles they portray are as follows: Lynn Elsey, as Sal Tolliver; Janice Beery, as Loretta Tolliver; Carol Miller, as Ellie May Beams; Grant Thompson, as Red Fox; Karen Wedge, as Anne Saunders; and Billie Bovee, as Maw-Falin.

SIX OF the fourteen cast members will be performing in their first play. Members who had leading roles in last year's play have either been relegated to supporting roles or have been given positions of the production staff in order to give new talent an opportunity to express itself.

Nancy Knibbs, last year's delightful star of "Jane Eyre," is the Student Director of the production. Libby Kipp is the Business Manager. Stage Manager is Howard Madsen. The setting was designed by Tom Hatfield. The stage setting will be constructed and painted by the art classes, under the direction of Mr. Garrett Bufe, high school art instructor. Mrs. Jean Compton is in charge of the make-up artists. Her Home Economics students are making the costumes for the play. Junior Class Advisor is Mr. Frank Smith. Mr. Carl Minor is the Director of the play.

High School Principal Elmer Fenton has done some research in the files of the Crawford County Avalanche. He has informed the Junior Class that "The Trail of the Lonesome Pine" was produced in the old Opera House of Grayling on October 20, 1914, by a traveling troupe of professional actors. The Opera House is the present Jansen Plumbing Service building. Old timers in the community may remember the performance of 51 years ago.

## Issue Poem For Book Week

In observance of Book Week, October 31 to November 6, the Crawford County Library offers this poem written especially for the occasion by Mary O'Neill, entitled "Sing Out For Books."

"Sing out for books, the paper bread that feeds the hungry in the head. Nibble a mystery, wherever you are. Drink of adventure, gobble the past. Taste of tomorrow, slice science thin the better to savor the world we're in. Salt the villain, pepper the fakes, chew the poets, fork the rakes. Rollish words — they've much to tell. Fast on the earth, where books are the only food that never grows old."

## Lose To Harbor Springs 21-13

## Grid Season Closes Friday

The Grayling Vikings are to travel to East Jordan this Friday night for the final 1965 football game after dropping a close contest to a strong Harbor Springs Rams team there last Friday night by a 21 to 13 count.

COACH Mike Wieland's charges are expected to be higher than a kite this week in an attempt to close out their season on a winning note. East Jordan was stopped last Friday by 20 to 0 by Charlevoix who was only able to halt the Viking attack by a 19 to 6 score.

In other league action last Friday night, Gaylord edged Boyne City 7 to 6 and about handed the loop crown to Charlevoix; Pellston downed winless Mancelona 20 to 0 to climb out of the basement. This Friday besides the Viking-Red Devil clash, Pellston will be at Gaylord, Harbor Springs at Charlevoix and Boyne City at Mancelona.

"Last Friday night's game was a game of mistakes and we made most of them," Viking grid mentor Wieland said.

"Grayling gave up the ball on two fumbles and two interceptions all deep in our own territory which hurt."

Grayling punted after failing to move the ball and the Rams returned the kick to the Viking 17. Hanson, Ram halfback took it in on a reverse and George Kilbourn, Harbor's 240 pound fullback powered over for the extra point to go ahead 7 to 0.

AGAIN in the first quarter, Harbor recovered a Grayling fumble. This coupled with a penalty moved the Rams down field. With a 4th and 15, Harbor threw a pass that was good for a first down. Marlin, Harbor's other halfback scored on a right end sweep and Kilbourn added the point on a

plunge to move out to a 14 to 0 lead.

In the second quarter, Hanson again swept the Viking right end from 48 yards out to score and again the point was added by Kilbourn for a 21 to 0 lead. The half ended this way as the remainder of the quarter was all defensive.

The third canto was also all defense.

In the final period, passes from Pat Thompson to Dave Nethers got the Vikings moving on an 80 yard drive. Nethers scored on a 6 yard pass from Thompson and Pete Funck added the extra point on a pass.

Later in the period, Nethers punted to the Harbor 3 yard line. The Rams were forced to kick and Dave Bailey grabbed the punt and returned it to the Rams 3. Thompson on a quarterback option got to the one. A try by Nethers at the line lost a yard and then Nethers

scored on a rollout. A pass play for point after was incomplete leaving the final score at 21 to 13.

Mike Gorman, Grayling's offensive left guard was named outstanding player. His pass blocking was great as well as his line blocking. He consistently kept Kilbourn who played center line-backer out of the play.

Chauncey Carr, sophomore Viking lineman had 12 tackles, holding Kilbourn to slight gains. Ken Halstead added 8 stops. Nethers led the ground gainers with 100 yards in 10 carries. Bailey had 56 in 2 and Smock 23 in 3 and Hatfield 12 in 2. Smock and Hatfield each recovered a fumble.

Grayling came out of the game with no crippling injuries and is expected to be at top strength for the season finale. Coach Wieland said the game was a tossup with the team making the fewer errors, the probable winner.

## December Draft Call Largest Since Korea

Faced with the largest draft calls since the early days of the Korean campaign, Michigan local boards have been directed to screen previous deferments and to reclassify registrants whose deferments cannot now be justified in the national interest, according to Colonel Arthur A. Holmes, State Director of Selective Service.

The December draft call for Michigan local boards will total 3,394 registrants for delivery to the Army and Marine Corps. November inductions will total 2,625. Calls were about 300 per month earlier this year.

All student deferments are currently being reviewed, and further deferments will be denied to part time students and those who have failed to make reasonable progress in their educational programs. Other occupational and dependency deferments granted under previous lenient policies will also be reviewed. Further deferments will be granted only where they are necessary in the national interest.

Current induction calls are being filled with single registrants ages 19 through 25 and registrants married since August 26, 1965, who are considered in the same status as single registrants. Local boards have been authorized to order for physical examination in December registrants married before August 26 if they cannot provide sufficient single registrants in Class I-A. Married registrants in Class I-A will be called for induction in later months, if no single registrants are available.

Local boards are also reviewing classifications of doctors, dentists and veterinarians who have not served in the armed forces, preparatory to filling calls for health specialists in January.

All males are required to be registered on their 18th birthday or within five days thereafter. Men born since August 30, 1922 are subject to draft registration.

## Crawford County Chamber of Commerce

Memo: TO THE PEOPLE OF CRAWFORD COUNTY

From: SAL TRUETTNER, PRESIDENT

Subject: LOCATION OF CHAMBER OFFICE

I was in the Chamber Office the other day when a gentleman came in looking for some literature and information. He said, "I had a terrible time finding this place, several people I asked did not know where the office was located." Chum Longworth, our Chamber manager said "Well whom did you ask?" The answer "I inquired from two different attendants at gas stations and they did not know. I asked a woman on the street and she said 'I have lived here for 26 years and I do not know'."

Chum and I were surprised and disappointed that people did not know where we are. We knew it must be our fault in not making it clear to everyone just where our new office is.

We are located in the new City building on James Street, better known as old 27. It is across from the American Legion building. And by the way have you seen the building since it has been remodelled? The offices and rooms are lovely. Why don't you pay us a visit? Come and see our new office.

We are open every day Monday through Friday from 9 a. m. to 5 p. m. and on Saturday morning. You are always welcome. Mrs. Roper our secretary and Chum Longworth will be glad to show you around. Ask questions, find out what makes a chamber tick.

To each of you please pass the word around where we are. We don't want strangers coming in to our town and being unable to find us and above all we want to be sure our own people know where we are located.

## Grayling American Legion Auxiliary Unit 106

Another year of service for "God and Country" is ahead of us. It reminds us that we may choose our way of worship, that we may serve our country in the way we feel is best. I chose the American Legion Auxiliary as you did, so let us get to the business at hand, which is Membership — everybody's business. This is our foundation.

Alvin Moore, 10th District Commander, and Mrs. Moore, 10th District First Vice-President, Mrs. Lois King, Grayling Unit 106 First Vice-President, Mrs. Margaret Griffith, Grayling Unit 106 Second Vice-President, Mrs. Zephay Meyers, Grayling Unit 106 Sgt. of Arms, attended the 10th District meeting held in Mt. Pleasant on Sunday, October 31. Department President Dorothy Hughes was also there.

Oh yes, girls—Don't forget your dues are due. Also any junior girl who wishes to join and has a brother, mother or father who belongs to the American Legion is eligible to join the Junior membership. Please contact Mrs. Margaret Griffith on Tuesday, right after school at the Legion dining hall. Girls any age to 18 may join.

**Are you paying more than 11½¢ a gallon for your residential heating oil?**

**If you are, you're paying too much to heat your home.**

If you are now using natural Gas (or plan to) for cooking, water heating, clothes drying or Gaslights, and your use is equal to that of our average residential customer, you can get your Gas for heating under our special service rate at a cost equivalent to fuel oil priced at just 11½¢ a gallon. And the nice thing about our Gas rates is that

the more you use, the less it costs per unit. That's a bargain in anybody's book. (Can't pay for the cost of conversion right now? Here's good news: Whether you convert your present furnace, or even install a new Gas furnace, Michigan Consolidated will pay for it and its installation by a qualified heating contractor. And it won't

cost you a penny until July 1, 1966!)

So why not make your present oil furnace more economical this winter? Have it converted to economical natural Gas. Then you can start putting your money in the bank for a change. Instead of in your furnace. For full details, call us or your heating contractor today.

## Things Have Changed . . .

Things certainly seem to have changed so far as repeal of section 14(b) of the Taft-Hartley Act is concerned. This is the section that permits the states to pass right-to-work laws forbidding compulsory union membership, and 19 have done so. The repeal bill, backed by the Administration and considered a number 1 priority by organized labor, passed the House with comparative ease. The general belief was the Senate would concur.

But now reports from Washington say there are grave doubts that the bill will come to a Senate vote this year. The ranks of the opponents of repeal have stiffened. Extended debate is promised.

Public opinion, as various polls attest, backs the right-to-work principle. It doesn't do this because it is against organized labor or the union movement. It does it because it believes that the right of a man to join or not to join any organization, as he so decides without coercion, is a fundamental freedom.

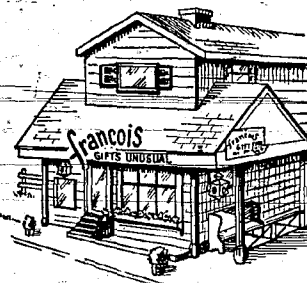

Let the unions gain and hold their memberships on the basis of good service—not with the use of an indefensible power which permits them to tell a man he must join and pay tribute or enter the ranks of the unemployed.

# MEDICARE DEADLINE IS MARCH 31st

"By now, all elderly social security or railroad retirement beneficiaries should have received their kits and the enclosed application for the supplementary medical insurance part of Medicare," E. O. Wiles, social security district manager, stated.

About 300 other older persons—those not on the social security or railroad retirement benefit rolls—have already been in touch with the social security district office in Traverse City, he reported. But many others still need to take action to protect their Medicare rights.

Eight out of ten aged persons will be reached through the mass mailing, he noted. About one-third of those who will not be reached this way are receiving old-age assistance payments and will hear directly from their county social welfare office.

security and are not receiving public assistance will also have to get in touch with their local social security district office.

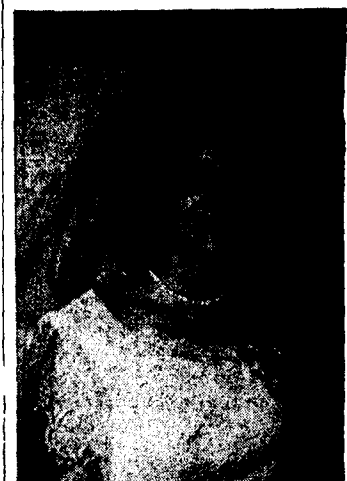

The enrollment period for those who will be 65 or over before the end of the year, closes March 31, 1966, Mr. Wiles pointed out. The March 31 deadline is very important, he stressed. Everyone who is 65 or will be by January 1, 1966, must return the medical insurance enrollment card by that date—whether received in the mail or picked up at a social security district office, if he wants full protection when the program goes into effect July 1, 1966.

For the housebound, the district office will make arrangements to enroll them by mail or have a social security representative pay a visit to them at home.

The Traverse City district office is located at 1111 E. Front Street, the phone number is 946-8360.

Mr. Wiles also announced that a series of open public meetings to explain the law and enroll those eligible is being arranged for residents of the 13 counties served by the office. Details of the meeting in this area will be announced as soon as they are complete.

# PELTON - WOODBURY WED OCTOBER 23rd

The marriage of Miss Mary L. Pelton, daughter of Mr. and Mrs. Elbert Pelton of Route One, Roscommon, to Mr. Wayne F. Woodbury, son of Mr. and Mrs. Oswald Woodbury of Route Two, Vermontville, Michigan, took place at 2 o'clock on Saturday afternoon, October 23, 1965. The double-ring ceremony was performed by Elder Jay Doty at the Michelson Memorial Methodist church before one hundred guests. Mrs. Forrest Annis, organist, accompanied Miss Anne Marie Church who sang "The Lord's Prayer," and "Softly and Tenderly." White carnations and chrysanthemums and white tapers in floor candelabra formed the setting for the wedding.

The bride was given in marriage by her uncle, George Kessler of Liberty Center, Ohio. She approached the altar in a white ballerina length gown of nylon lace over organza. Her shoulder length veil was held by a seed pearl crown. White rosebuds and green ivy formed her bridal bouquet.

Miss Toni Madsen was maid of honor and Miss Sherrie Madsen of Bay City was bridesmaid. They were both attired in matching gold satin dresses and gold bows holding short gold net veils. Both carried white carnation bouquets with gold ribbons.

Gary Gutches of Vermontville served as best man to the bridegroom. Boyd Woodbury brother of the groom, was groomsmen.

A two-piece beige suit with matching accessories was Mrs. Pelton's costume. Mrs. Woodbury chose a blue dress with black accessories.

A reception was held at the American Legion Hall immediately following the wedding. Afterwards the bride changed into a two-piece beige suit with olive green accessories for their honeymoon trip to northwestern Michigan. They will be making their home temporarily at Charlotte, Michigan where he is employed.

Guests attending the wedding and reception were from Roscommon, Lansing, Vermontville, Grand Ledge, Kalkaska, Traverse City, Flint, Charlotte, West Branch, Grand Rapids, Michigan, and Swanton, Liberty Center, Napoleon and Wauseon, Ohio.

# Gull Takes Robin's Place In Michigan Week

For 1966 Michigan's state bird the robin is going to take a back seat to the sea gull.

Paul Penfield of Detroit, general chairman of next year's Michigan Week May 15-21, revealed in Grand Rapids that for the first time since Michigan Week began in 1954, the robin will be absent from the posters and other promotional materials. From one springtime to another the robin has been part of the Michigan Week emblem, sometimes in sailor's cap or drum major's hat, sometimes just a jaunty red-breasted bird.

The 1966 emblem will show a Mackinac Bridge tower and three soaring seagulls. There will be no robin and the traditional red of the Michigan Week poster will be gone. The colors will be bright green and light blue.

# GLADYS WRIGHT DIES IN LANSING

Final rites were read at 2 o'clock Monday afternoon, November 1st, at the Jessen Funeral Home in Lansing for Mrs. Gladys L. Wright. The Rev. George Bubolz of the Bethlehem Lutheran Church officiated. Interment was in Deepdale Cemetery with John L. Jenkins, George Bubolz, Jr., Thomas Taliaferro, Marion Marshall, Alfred Finch and Fred Gesse serving as pallbearers.

Mrs. Wright was born in Grayling on September 23, 1886, to Francis and Sarah O. Peck. She attended Grayling schools and on February 19, 1916 was married to Harry Wright. The couple moved from Grayling to Lansing in November of 1917 where they have since resided, but maintained a home in Grayling on Park Street in which they have been frequent visitors as part time residents. Mr. Wright preceded his wife in death on August 17, 1964.

The deceased succumbed at St. Lawrence Hospital, Lansing, on October 30, 1965. She had been confined there since July after suffering a fall. Surviving is her daughter Miss Mary Jane, of Lansing, and a cousin Mrs. Nela-Tatro of Grayling.

# State Reports Record Summer Tourist Business

LANSING — Michigan's vacation travel industry scored an average 12 per cent increase in spring-summer business over last year's record levels, according to a Michigan Tourist Council survey.

"Coupled with a four per cent increase in early 1965 winter business and excellent preliminary reports on autumn business, it appears that the state's vacation-travel income will top the billion-dollar mark this year," said William T. McGraw, Tourist Council director.

"State and local governments would benefit to the tune of some \$70 million in taxes and license fees from this level of tourist spending. Income in 1964 was a record \$814 million with \$59 million going into state and local treasuries."

McGraw said the Tourist Council estimates of spending are conservative, based on surveys of scores of communities, regional tourist groups and attractions. James Hall, secretary-manager

# Crawford County Avalanche Thursday, November 4, 1965

of the East Michigan Tourist Association, reported an overall gain of 10.5 per cent with 74 per cent of the 75 east Michigan businesses responding to his survey claiming an increase.

Among the key factors listed by Hall were excellent economic conditions, improved state, regional and local promotion, more people, better highways and increased traffic, and improved services and facilities. East Michigan businesses reporting decreases blamed cold weather and lack of adequate highway signing.

Several communities, with increases up to 15 per cent, reported that business would have been better if it hadn't been for inclement weather. These included Houghton Lake, Grayling and Charlevoix.

# Corrections Dept.

Our apologies to Mrs. Marius Hanson whose name was included in the St. Mary's open house, and to Mrs. Larry McNamara, whose name should have been listed in place of Mrs. Hanson's.

Apologies also to Mrs. Charles Bonamie, whose name was omitted from the PTA lunch committee report last week.

### SCHOOL BAND NEWS

The Grayling High School Band has performed a number of times in the last two weeks.

On October 21 the Homecoming activities began with the Snake Dance. The Band led the snake dancers down the main street and back to the football field. We played many fast marches. When we got to the football field we played our school song at the bonfire.

On Oct. 22nd the band led the floats in the parade in the afternoon. That evening we performed at the football game. We led the floats around the field. As the queen candidates were going off the field we played "Sweetheart of Sigma Chi."

On Friday, October 29, we participated in the Halloween parade at the Elementary School. We led the little children, who were dressed in their Halloween costumes, around the school and a few streets near the school. All this marching made the band thirsty. Mr. Thayer treated the band to cider and doughnuts afterwards.

We had our annual candy sale to raise money for our band fund. Then senior, junior and beginner bands sold the candy, which included mints and clusterettes. We voted to award the three top salesmen for their efforts. This sale was a success and we thank the public for their cooperation.

A photographer came to take a picture of the band. This picture will appear in the Avalanche sometime in the future. Along with the picture will be a "thank you" to the public for helping us raise money for our new band uniforms. Jeanette Skolasky, reporter
